RUNWAY TO THE NATIONS

WHERE HOPE TAKES FLIGHT

📍 MAF Hangar • Nampa, Idaho

📅 JUNE 19, 2026

For one unforgettable night, Mission Aviation Fellowship's (MAF) hangar will become more—it will become a place for thousands of people to worship the Lord and celebrate His hope.

Runway to the Nations is a live concert experience featuring three nationally known artists, food trucks, and more—bringing together thousands of faith-driven people across the Treasure Valley. Surrounded by the very aircraft that have carried the gospel around the world, attendees will step into our story of lives being changed.

Your sponsorship will put your brand in front of engaged attendees from across Idaho while directly supporting MAF's global work delivering the gospel, medical care, and aid.
