

# STEPS INTO MAF

## BEGIN YOUR JOURNEY

JOIN MAF AND REACH ISOLATED  
PEOPLE WITH THE LOVE OF JESUS CHRIST

### - IS MAF FOR YOU? -

Do you feel called to serve God in cross-cultural context - using your skills in aviation, information technology, or pre-k - 12 teaching to reach isolated people with Christ's love? If so, MAF might be a good fit for you.

### - CONNECT WITH US -

Talk to an MAF Mobilizer to learn more about how you can get involved. Email us at [mobilization@maf.org](mailto:mobilization@maf.org) or call 1-800 FLYS-MAF.

### - APPLY ONLINE -

Our online mobilization portal will be the primary way of submitting your application. This will include basic biographical information, applicable education and training requirements, work history, and resume, along with in-depth missionary and personal behavior questionnaires.

### - EVALUATIONS -

You and your family will come to MAF headquarters in Nampa, Idaho, for evaluations and interviews with MAF leadership. Once you make your way to headquarters, MAF will provide for lodging.

### - CANDIDACY & ACCEPTANCE -

During this stage, you and your family will spend several weeks at MAF headquarters for final acceptance into membership and field assignment. Lodging provided.

### - RAISING SUPPORT -

With help from MAF's Ministry Partnership team, you will develop your ministry support team of individuals, churches, and groups to provide encouragement, prayer support, and your financial backing.

### - READY FOR DEPARTURE -

You will then proceed to orientation and indoctrination at MAF headquarters, then language school (location depends on where you will serve).

# TO THE FIELD!

*\*The above steps are an example of what this typically looks like. This may vary depending on the position and situation. For instance, the steps for short-term assignments are different than for a career staff position. An MAF Mobilizer can walk you through your specific path to service with MAF.*
